

3 additional ways we are keeping you safe...

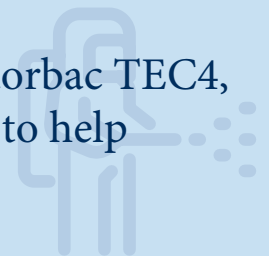

...in the bathrooms

1. **Structured cleaning regime** to ensure all touch surfaces are cleaned on a frequent basis, including door handles and taps

2. Cleaning all surfaces with Odorbac TEC4, powerful multipurpose cleaner to help **reduce the spread of bacteria**

3. Installed **sanitiser dispensers** to allow customers to regularly sanitizer their hands.

LET'S STAY

HEALTHY TOGETHER.

We want to hear from you and understand how you're feeling about visiting these toilet facilities today so that we can address any concerns you may have.
