Step by Step cleaning instructions

PLEASE WASH YOUR HANDS BEFORE & AFTER YOUR TASK

- Place safety signage around the area to be cleaned
- Try a small area first to check that the chemicals do not damage the substrate, DO NOT use on painted surfaces or worktops.
- Apply chemical and leave for a few minutes and then use appropriate equipment to remove
- Repeat procedure if needed.
- After removal of graffiti clean the area.
- When task complete, remove safety signage only when the area is safe and dry
