SH1337 VELTUFF® COTTON T-SHIRT

The VELTUFF® Work T-Shirt is made from 100% ring-spun cotton and features a taped neckline for added comfort. Its lightweight design at only 150gm² prevents unnecessary bulk, making it a great choice for any worker. Available in a wide range of colors, this plain, crew neck t-shirt is perfect for embroidery or the addition of a company logo. It is a versatile and comfortable option for a uniform wardrobe.

MATERIALS

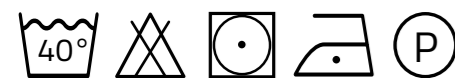

Cotton jersey (150 GSM)
Composition: 100% cotton

FEATURES

- Twin-needle coverstitch
- Anti-scratch self-fabric necktape
- OEKO-TEX STANDARD 100

CARE INSTRUCTIONS

Machine wash at max 40°C.
Iron and tumble-dry on low heat.
Dry-cleaning without trichloroethylene.
Do not bleach.

OEKO-TEX®
CONFIDENCE IN TEXTILES

SH1323 VELTUFF® WORK POLO SHIRT

The VELTUFF® Work Polo Shirt is the perfect choice for any worker. A plain polo, in a wide range of colour options, that is an absolute uniform staple. Perfect for embroidery or the addition of your company logo for employees. Our polo is designed to be extra durable for the tough demands of daily work, with triple-needle stitching and the ribbed cuffs and collar to reduce any annoying curling.

MATERIALS

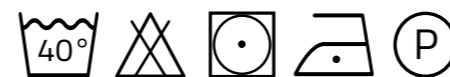

Piqué knit (220 GSM)
Composition: 50% cotton, 50% polyester

FEATURES

- Rib-knit collar and cuffs
- Anti-scratch necktape
- 1/4-placket with flat buttons
- 3-needle coverstitch
- Slits at the sides of the hem
- OEKO-TEX STANDARD 100

CARE INSTRUCTIONS

Machine wash at max 40°C.
Iron and tumble-dry on low heat.
Dry-cleaning without trichloroethylene.
Do not bleach.

SH4943 VELTUFF® WORK SWEATSHIRT

The VELTUFF® Work Sweatshirt is the perfect choice for any worker. A plain crew neck sweatshirt, in all core workwear colour options, that is an absolute uniform staple. Perfect for embroidery or the addition of your company logo for employees. Our sweatshirt is designed to be extra durable for the tough demands of daily work, with triple-needle stitching and ribbed collar, cuffs and hem. Not forgetting comfort with a fleecy feel inner that'll also supply warmth.

MATERIALS

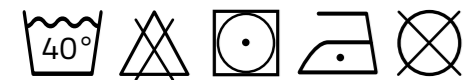

Jersey fabric with brushed backside (280 GSM)
Composition: 65% cotton, 35% polyester

FEATURES

- 3-needle flatlock seams
- Brushed inside for extra comfort
- Rib-knit cuffs, hem and neckline
- Anti-scratch necktape
- Half-moon facing inside at upper back
- OEKO-TEX STANDARD 100

CARE INSTRUCTIONS

Machine wash at max 40°C.

CW1108 **VELTUFF® OSLO SOFTSHELL JACKET**

The VELTUFF® Oslo Softshell Jacket is designed for outdoor work in light rain. Its waterproof fabric has a 3,000mm rating and features a waterproof membrane seal on areas where the fabric is stitched together. The external pockets and main zipper include water-repelling zippers for added protection. The hood is adjustable and removable, making this jacket versatile and suitable for a range of weather conditions. Whether you are working in construction, landscaping, or another outdoor occupation, the VELTUFF® Oslo Softshell Jacket is the perfect choice for keeping you dry and comfortable on the job.

MATERIALS

Shell: 3-ply fabric (300 GSM)

Composition: 96% polyester, 4% elastane

FEATURES

- WP3000 and BR3000
- Waterproof membrane in fabric
- Fleece inner for extra comfort
- Waterproof taped seams
- Water-repelling zippers
- Adjustment straps at cuffs
- Adjustment cord at hood and hem
- Five pockets; at chest, sleeve, sides and lining
- Detachable hood

CARE INSTRUCTIONS

TR5515 VELTUFF® TEAMLINE REFLECTIVE TROUSERS

The VELTUFF® Teamline Reflective Trousers are durable polycotton work trousers that are designed for durability and visibility on the job. They feature two large reflective strips on the lower legs for added visibility, as well as internal bottom-loading knee pad pockets for added protection during ground and kneeling tasks. The trousers have cargo pockets on both legs, hip pockets, and two back pockets for ample storage space. They are made with double stitching as standard and triple stitching in key stress points for added durability. There is a gripper waistband to help keep the trousers in place during kneeling and bending. Overall, the VELTUFF® Teamline Reflective Trousers are a practical and comfortable choice for workers who need durable and visible workwear.

MATERIALS

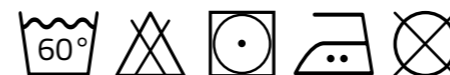

Poly-cotton drill fabric (290 GSM)
Composition: 65% polyester, 35% cotton

FEATURES

- Triple-stitched at inseam, outseam and center
- Anti-slip waistband to keep shirt in place
- Concealed button and YKK-zipper at fly
- Knee-pad pouches (internal, bottom loader)
- Cargo-pockets with space for phone and tools
- Two reflective bands encircling the bottom of each leg
- Reflective piping along back-pocket flaps and backside of cargo-pockets
- D-ring at front-right belt-loop
- Hammer loop at right side
- OEKO-TEX STANDARD 100

CARE INSTRUCTIONS

Machine wash at max 60°C.
Tumble-dry on low heat. Iron on medium heat.
Dry-cleaning without trichloroethylene
Do not bleach.

TR4020 VELTUFF® CARGO WORK TROUSERS

The VELTUFF® Cargo Pocket Work Trousers are our most popular pants for good reason. Made from durable polycotton fabric and double stitched for added strength, these trousers are built to withstand tough work environments. They feature hip pockets, back pockets, and cargo pockets on each leg for ample storage, as well as internal knee pad pouches for added protection. Large belt loops and a comfortable gripper waistband help keep the trousers in place, even when bending or kneeling for manual tasks. With their classic style, good design, and excellent value for money, the VELTUFF® Cargo Pocket Work Trousers are a top choice for workers in need of reliable and functional pants.

MATERIALS

Poly-cotton drill fabric
Composition: 65% cotton, 35% polyester

FEATURES

- Triple-stitched at inseam, outseam and center
- Anti-slip waistband to keep shirt in place
- Elastic at sides of waistband
- Concealed button and YKK-zipper at fly
- Knee-pad pouches (internal, bottom loader)
- Cargo-pockets with space for phone and tools
- Leg-length can be extended by 2x4 cm
- OEKO-TEX STANDARD 100

TR6712 VELTUFF® WOMEN'S WORK TROUSERS

VELTUFF® for women; these are specifically made to fit a female figure, same great quality with a different cut, length and overall fit for superior comfort and therefore performance for working women. The VELTUFF® Women's Cargo Pocket Work Trousers are made from a durable polycotton blend and are double stitched as standard, with triple stitching on any key stress points. They have a gripper waistband, which helps the trousers stay in place and not ride down when completing bending or kneeling work. With hip pockets, back pockets, functional cargo pockets and an internal knee pad pouch, which is bottom loading and can be used to insert knee pads for comfort and protection whilst working on the ground.

MATERIALS

Poly-cotton drill fabric (260 GSM)
Composition: 65% polyester, 35% cotton

FEATURES

- Triple-stitched at inseam, outseam and center
- Anti-slip waistband to keep shirt in place
- Elastic at waistband sides
- Concealed button and YKK-zipper at fly
- Knee-pad pouches (internal, bottom loader)
- Cargo-pockets with space for phone and tools

The Strong Disposable Nitrile Gloves are an essential item for examinations. Our gloves come in a box of 100 units, with the gloves being completely ambidextrous. Essentially these are both latex & powder free to prevent issues with allergic reactions.

CERTIFICATIONS

EN ISO 13485:2016
EN ISO 374-1:2016
EN ISO 374-5:2016

FEATURES

- Powder- and Latex-free examination gloves
- Resistance to bacteria, fungi and viruses
- Protects against chemical permeation
- Fully micro-textured for wet and dry grip
- Made from synthetic rubber
- Single-use gloves
- Medical class I
- PPE category III
- Quantities: Cartons of 1000 pcs / boxes of 100 pcs

CARE INSTRUCTIONS

Inspect the gloves thoroughly for damage before use.
Dispose after each use, if ruptured and according to need.

EP6100 **EAR-DEFENDER**

These VELTUFF® Passive Hearing Protectors offer light noise-cancellation. Lightweight and durable construction. Adjustable height for perfect fit. Foam ear cushions.

CERTIFICATIONS

SNR: 27 dB
EN352-2:2002

SK5566 **CHIFFON SCARF**

Lightweight and lustrous women's chiffon scarf.
Width 16.5 cm / Length 98 cm

MATERIAL

Chiffon weave (40 GSM)
Composition: 100% polyester

SH1319 **CLIP-ON TIE**

Easy clip-on tie from satin.
Width 10 cm / Length 47 cm

MATERIAL

Satin weave
Composition: 100% polyester

TH1450 **VELTUFF® ATLANTIC THERMAL HAT**

The VELTUFF® Atlantic Thermal Hat is a classic beanie-style hat that provides warmth and comfort in cold working conditions. Its simple design allows it to be easily worn as a standard beanie or rolled down for a longer, slouchier fit. This versatile hat is a great option for workers who need to stay warm on the job.

MATERIAL

Chunky rib knit
100% polyester

FEATURES

- Thinsulate-lined
- Folded brim for extra hold and warmth
- Provides comfort in cold environments

CARE INSTRUCTIONS

Machine wash at max 40°C.
Do **not** bleach, iron, dry-clean, nor tumble-dry.

SF9345 **VELTUFF® VISION SAFETY SHOES**

The VELTUFF® Vision Safety Trainer is a very competitively priced, value for money safety trainer. With non-metallic toe cap protection & Kevlar midsole protection, your safety is covered. Add to that the SRC slip resistant outsole, which is anti-static and oil resistant. And then throw in the shock absorber to provide additional comfort and you have everything you need to perform at work without breaking the bank.

CERTIFICATIONS

EN ISO 20345:2011 S3 SRC

FEATURES

- Kevlar® puncture-resistant midsole
- Non-metallic toe-cap
- Shock-absorbent, antistatic and antislip (SRC)
- Oil- and acid-resistant, and water-repelling
- Extra robust PU-outsole
- Comfortably shaped insole
- Padded collar and tongue
- Flexible and lightweight
- Reflective detail on side
- Made in EU

CARE INSTRUCTIONS

Wipe the shoes clean with a brush, paper towel or cloth. Treat the footwear's upper with suitable care-products periodically, but avoiding aggressive chemicals. If replacement of the insole is needed, make sure it is from the same supplier, to maintain the correct safety certification. Store and transport the shoes in a dry and ventilated container. Replace the pair immediately if broken or damaged, and after a maximum of three years counting from the production date.

SF9346 **VELTUFF® MISSION SAFETY BOOTS**

The VELTUFF® Mission Safety Boot is a solid choice for those looking for a mid-range work boot. Non-metallic toe cap protection and Kevlar midsole protection to give these boots S3 certification. Slip resistant to SRC standards, whilst also being anti-static & oil resistant. Comfort is provided with a padded collar & tongue and also the shock absorber midsole. A solid all-rounder at a very reasonable price point.

CERTIFICATIONS

EN ISO 20345:2011 S3 SRC

FEATURES

- Kevlar® puncture-resistant midsole
- Non-metallic toe-cap
- Shock-absorbent, antistatic and antislip (SRC)
- Oil- and acid-resistant, and water-repelling
- Extra robust PU-outsole
- Comfortably shaped insole
- Padded collar and tongue
- Flexible and lightweight
- Reflective detail on side
