

ABM - Metabot Pricing

There are three ways to purchase the META-SCRUB 60.

Firstly, the META-SCRUB 60 can be bought outright, along with a monthly service plan.

Secondly, we offer two rental packages, either 3-year or 5-year. These packages, which include the robot and service, give you all the benefits of the META-SCRUB 60 for an affordable monthly payment.

There is also the option of the Integrated Charging Station or Standard Charging Station.

Equipment	Purchase	1Y month service	3Y rental & service plan (monthly)	5Y rental & service plan (monthly)
