Formulated with an ultra powerful bio-surfactant combined with the descaling power of lactic acid and malic acid, OdorBac Toilet & Scale eliminates scale deposits and organic residues, giving your installations back their original shine.

Our unique biosurfactant is up to 500 times more powerful than petrochemical or plant-based surfactants. This 100% natural and biodegradable biosurfactant, naturally produced by microorganisms, increases the effectiveness meaning **less product is required.**

- **CAN REMOVE THE ENVIRONMENTAL IMPACT OF OTHER TOILET CLEANERS**
- Makes sanitary facilities cleaner & healthier
- Ecological formula safe for septic tanks
- Dual purpose
- No Hazard Warnings
- Ultra powerful bio-surfactant removes even the most encrusted organic residues
