*VOC regulations in the US and Canada only. The products are air fresheners and contain nothing defined as a VOC that is not a fragrance component and therefore the general exemption for air fresheners of 94510.F applies. Section 94510.F applies to the product from the US federal "Consumer Products Regulation". The formulations are "pure fragrance" or "fragrance-only".

There are currently no restrictions or regulation on VOC content in air fresheners in Europe.

† Dependant on your local/regional/national/international recycling schemes.
